INGREDIENTS OF HiFiFOODS®

All our products have simple ingredients that are fruits or vegetables. These ingredients are natural, wholesome, healthful, rich in vitamins, minerals, antioxidants, and fibers. There are no artificial additives, flavors, colorings, preservatives, cholesterol, transfatty acid, or any chemicals that have names that you do not know how to pronounce. Do not accept any snack foods that have more than five ingredients. Here is the long list of our natural ingredients from the good earth, which people can enjoy with no fear.
